

Links to Awards and Badges

By participating in some of the activities associated with Energy Heroes! there are many opportunities to contribute to the skills and accomplishments necessary in order to receive various awards and badges from community groups such as the ones listed below.

Energy Heroes! is also in support of the vision and related activities of other community youth groups such as Woodcraft Folk and school Eco Groups.

Scouts Environmental Conservation Activity Badge

1. Find out how to reduce the energy and water you use in your home. Show how you have encouraged your family to reduce water and energy use over four weeks.
2. Find out about one type of renewable energy. Talk to your leader about the advantages and disadvantages of the technology.

Scouts World Challenge Award

1. Plan and carry out the project with your Troop and others in the community. Then share what you learned from the activity with other people. Talk about how it helped other people and what you will do with the skills and experiences you have gained.
2. Take an active part in an environmental project.
3. Take part in an activity that explores an international issue.

Guides Go for it! Take action

Make a difference and make something happen! *Go For It! Take action* is all about community action with a difference.

You can have an impact on life around you whether that's by helping to make a difference locally or by looking after the entire planet and its people.

Guides Community Action

1. Action in the lives of people in your local community.

You could choose to work with or for children, older people or people with a disability.

2. Action for the local environment. This may include projects such as bulb planting, cleaning the local river, or providing bird or bat boxes.
